IJLT is a scholarly double-blind peer-reviewed open-access international scientific journal that publishes highly-qualified original research and review articles biannually in March and October.

IJLT publishes original research and review articles on language testing, assessment and evaluation. Besides, the Journal specially focuses on such issues as testing theory, psychometrics, and practical implications of language tests on classroom assessment.

IJLT is an open access journal which means that all content is freely available without charge to the user or his/her institution. Users are allowed to read, download, copy, distribute, print, search, or link to the full texts of the articles, or use them for any other lawful purpose, without asking prior permission from the publisher or the author. This is in accordance with the Budapest Open Access Initiative (BOAI) definition of open access.
